### Question 1- Reading Comprehension

As soon as the school bell rings, Loic takes the van and goes home.

He is surprised to see that his father, Mr. Sydney, is back from work. He is taking out bottles of soft drink and snacks from the car.

His mother, Mrs. Sharone is in the kitchen. His aunts Mrs. Mirella and Mrs. Megane are helping her to prepare food.

"We are celebrating your grand-mother's birthday today," says his mother.

Loic's cousins Vanessa and Kevin are decorating the living room. They are putting balloons and wall hangings.

At five o'clock everything is ready. Loic's uncles arrive with a big birthday cake. They put it on a table in the living room. Then, grand-mother comes. She is wearing a black skirt and a red blouse.
