Question 4A (10 marks)

Read the text below.

The peacock is the national bird of India. It is the most beautiful of all the birds. It has long blue neck and small eyes. There is a small crest on its head. Its plumage looks attractive. It has an attractive bluish-green feather on its body. There is violet half-moon shape spot on its tail feathers. It is approximately 2.3 m in length and weighs between 2.75 kg and 4 kg. The peahen is smaller than a peacock. It has no feathers and it does not dance. It has no crescent on its head. Peacocks are mainly found in Madhya Pradesh of India. It generally lives in jungles, gardens and hillsides. Peacock eats grains, ripe fruits, worms and small insects. It is the enemy of snakes. When the sky is dark in the rainy season, the peacock is very much joyful. On such moment, peacocks unfold their feathers like a fan and starts dancing elegantly to attract others. They are very much afraid of tigers and lions.

7. Enemy of which animals:
8. When does it open its feathers?
9. Two characteristics of the peahen:
(i) (ii)

Question 4B (15 m)

Read the passage carefully and answer the following questions.

Last Friday was the first day at school for Grade 1 pupils. Parents accompanied their children. Some pupils were wearing their uniforms while others casual dress. The bell had not yet rung, so the parents were waiting with their wards under the shelter near the office.

After some time, the headmaster came and addressed a few words to the pupils and parents. He talked a bit about discipline and punctuality at school .

After that, the class teachers Miss Leena and Miss Krystel escorted the pupils to their respective classes. Since there were around 42 pupils, they were separated in two classes. As the pupils were moving towards their class, they started crying because their parents were leaving them.

Akash is a brave and mature boy. He did not cry but was eager to make new friends. His parents were not worried about him because they knew he would be fine.

After taking their place in class, the class teacher took the attendance. There was another teacher helping to manage the class. Meanwhile several pupils continued to sob as they wanted to return home.

Soon it was recess. The pupils had ample time to know each other. Akash managed to convince his new friend Rehaan and Samir not to cry. They soon started playing together. They even shared their foods and cakes.

After recess, the pupils went back to their class. They gave a brief introduction of themselves and had a painting session. And after that, the class teacher made them sing and dance in class so as they do not feel bored.

Soon it was 15 00. It was time for the kids to go home. They were excited when they saw their parents coming to pick them.

1. Indicate whether the following statements are true or false by ticking the appropriate box.

- a) The author is narrating about the first day of school.
- b) Akash is a naughty boy.
- c) The pupils do not want to go home.

True	False
<input type="checkbox"/>	<input type="checkbox"/>
<input type="checkbox"/>	<input type="checkbox"/>
<input type="checkbox"/>	<input type="checkbox"/>

Circle the correct answer.

2. The parents were accompanying their children

- | | |
|------------------------------|------------------------------|
